ENVIRONMENTAL POLICY

Sales Outcomes

Environmental Policy

We are sensitive to the environment and try to reduce any harmful effects of our activities, while protecting the safety and well-being of our employees.

We strive to:

- ⊘ Adhere to local and international environmental legislation
- ⊘ Increase employee awareness
- ⊘ Adopt best practices
- ⊘ Monitor usage

Business Travel

We are taking steps to reduce our travel-related environmental impacts. We promote:

- ⊘ Teleconferencing and other collaborative working tools
- ⊘ Remote working
- ⊘ Flexible working hours
- ⊘ Use of public transport

Waste Management

We encourage individual responsibility and support recycling initiatives in the following ways:

- ⊘ Monitor the purchase of cut sheet paper
- ⊘ Provide recycling containers for paper, printer toners, etc.
- ⊘ Encourage double-sided printing and photocopying
- ⊘ Use proper disposal of or recycling of IT and electronic equipment in accordance with local legislation
- ⊘ Donate IT assets to those that would not otherwise have access
